THIS FACILITY AND OR ANY EMPLOYEE AND/OR COMPANY/ASSOCIATION WITH IT DOES NOT GUARENTEEN YOUR SAFETY OR THAT OF ANY HORSE

In consideration for participating in horse related activities or instruction connected with MREC/Turner Equestrian Ed. & Show Stables, LLC, the undersigned hereby agrees as follows:

REGISTRATION OF RIDER AND PRUPOSE OF AGREEMENT: I, the following listed individual hereby known as the "RIDER" and the parents or legal guardian thereof if a minor, do hereby voluntarily request and agree to participate in horse riding or horse riding instruction and on and about the MREC/Paul Turner property (Turner Equestrian Education & Show Stables, LLC), and that the rider will ride a horse provided to him or her by MERC/Turner Equestrian Education & Show Stables, LLC, or by their ownership or acquired means, today and all future dates.

Rider: _____ (DOB if under 21): _____

SCOPE OF AGREEMENT AND DEFINITIONS: This agreement shall be legally binding upon, ME, the RIDER and the parents of guardian thereof if a minor, my heirs, estate, assigns, including all minor children, and parental representatives. This agreement shall be interpreted according to the laws of the state of Maryland. Any disputes by the rider shall be subject to a paragraph below and litigated in the county in which MREC/Turner Equestrian Education & Show Stables, LLC, is physically located. Id any phrase, clause or word is in conflict with the laws of the State of Maryland then that part is null and void. The term "HORSEBACK RIDING" or "RIDING" herein shall refer to all equine species. The term "HORSEBACK RIDING" OR "RIDING" herein shall refer to riding, instruction in, or otherwise handling of or being near horses or ponies whether from the ground or mounted. The term "RIDER" shall refer to a person who rides a horse or otherwise handles or comes near a horse from the ground. The term "I, ME, and MY" shall herein refer to the above RIDER and the parents of legal guardians thereof if a minor.

INHERENT RISK OF ACTIVITY: I understand that horseback riding is a RUGGED RECREATIONAL ACTIVITY and that there are numerous obvious and non-obvious inherent risks always present in such activities despite all safety precautions. As such, related injuries can be severe or even deadly and that least, can require more hospital days and result in more lasting residual effects than injuries from most other activities. Further, this inherent risk is not totally mitigated by either (1) the presence of a guide or (2) by the use of a horse that has been used for it or is considered usable by beginners. Horse accidents are common, and in fact, are virtually guaranteed to occur given enough time around horses. Horse accidents are even more common with beginners although expert riders are still subject to considerable danger from participation in this activity.

NATURE OF RIDING HORSES: I understand that no horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 percent more powerful, and 3 to 4 times faster than a human. If a rider falls from a horse to the ground, it will generally be a distance of 3 to 7 feet, and impact may result in injury or even death of a rider. Horseback riding is the only sport where one much smaller, weaker animal (human) tries to impose its will on, and become one unit of movement with, another much larger, stronger animal with a mind of its own (horse) and each has a limited understanding of each other. If a horse is frightened or irritated it may divert from any training it has received and act according to its natural instincts which may include but are not limited to, stopping short, changing its direction or speed at will, shifting its weight, bucking, rearing, kicking, biting, running under obstacles intended to knock the rider off or from danger.

RIDER RESPONSIBILITY: I understand that, notwithstanding the presence or participation of a guide instructor, upon mounting and taking up the reins, the RIDER is in primary control of the horse. The RIDERS safety largely depends upon his or her ability to remain balanced aboard a moving animal (which is not easy for beginners). The rider shall be responsible for hir or her own safety. MREC/Turner Equestrian Education & Show Stables, LLC, DOES NOT PERMIT PREGNANT WOMEN TO RIDE.

CONDITIONS OR NATURE: MREC/Turner Equestrian Education & Show Stables, LLC is not responsible for total or partial act, occurrences, or elements of nature that can scare a horse, cause it to fall or otherwise react in some unsafe manner. SOME EXAPMLES are thunder, lightning, rain, wind, wild and domestic animals, insects, reptiles, which may walk, run or fly near, bite or sting a horse or person, further MREC/Turner Equestrian Education & Show Stables, LLC is not responsible for irregular or obstructed footing on groomed or wild land which is subject to constant change in condition according to use, weather, temperature, maintenance (or lack thereof) and natural or manmade changes in land and landscape.

LIABILITY RELEASE: I agree that in consideration of MERC/Turner Equestrian Education & Show Stables, LLC allowing my participation in this activity under the terms set forth, I the RIDER, for myself and on behalf of my child or legal ward or other parent, heirs, administrators or personal representatives or assigns, do agree to hold harmless, release, discharge, MREC/Turner Equestrian Education & Show Stables, LLC, its owners agents, independent contractors, employees, officers, directors, representatives, assigns, members, owners or premises and trails (whether or not trails are owned by MREC/Turner Equestrian Education & Show Stables, LLC and the afore mentioned) affiliated organizations and insurers and others acting on its behalf of and from all claims, demands, causes of action and legal liability, whether your damage be known or unknown, anticipated or unanticipated due to MREC/Turner Equestrian Education & Show Stables, LLC and or its associates ordinary negligence: and further agree to accept in the event MREC/Turner Equestrian Education & Show Stables, LLC's gross negligence and willful and wanton misconduct, I shall not bring any claims, demands, legal actions and cause of actions against MREC/Turner Equestrian Education & Show Stables, LLC and its associates as stated in the above clause for any causes of economic or non-economic losses due to bodily injury, death, property damage, sustained by me or my minor child or legal ward in relation to the premises and operations of MREC/Turner Equestrian Education & Show Stables, LLC, to while riding, handling, or otherwise near horses owned by or in the care custody MREC/Turner Equestrian Education & Show Stables, LLC.
