

## IEO Liability Release Form – reviewed 2017

I, the undersigned, understand that there are certain risks of injury and death inherent in all equine activities, including the named event below. Such risks include, but are not limited to: (i) the propensity of an equine to behave in dangerous ways which may result in injury to or the death of participants in such activities, (ii) the inability to predict an equine's reaction to sound, movements, objects, persons or animals, and (iii) the hazards of surface or subsurface conditions. I assume all risks of injury, death, and injury or damage to property, including equines, associated with participation in equine activities. I waive all rights to sue International Equestrian Organization, Inc., and/or any of their officers, directors, volunteers, employees and agents, the judges at this event, the owners or lessors of the facility where the event is held and/or any sponsor of this event for the injury to/or death of me or where applicable, the junior named below, and/or injury to property, including equines. I agree to indemnify and hold harmless the foregoing parties from and against any and all such claims of injury, death, or damage. This liability/release form is to be construed in accordance with, and to be as broad as permitting by the Equine Activity Immunity Act, Act # 93 of 2005.

IEO's policy for all of their mounted activities is that **all** riders, whenever mounted, must be wearing a riding helmet which meets or exceeds ASTM (American Society for Testing Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The headgear and harness must be secured and properly fitted. This applies to warm-up, competition, and non-competing riders.
