ADDENDUM D4

RISKS INVOLVED IN EQUINE ACTIVITIES – MAINE

Guest/Customer Name: _____ D.O.B. _____

Address: _____

I understand that riding, handling, working with, or being near a horse or pony (called an "equine") can expose me to numerous inherent risks, which could include, *for example*: the propensity of an equine to behave in ways that may result in injury, harm, or death to persons around them; the unpredictability of an equine's reaction to sounds, sudden movements, and unfamiliar objects, persons, or other animals; certain hazards such as surface or subsurface conditions on, near, or off of the property; and/or collisions with other equines, animals, or objects. **I understand these risks and potential dangers inherent in The Activities and equine activities, regardless of where they take place, and I agree to assume them. I also understand that these are just *some* of the risks, and I agree to assume others that are not mentioned above. I am not relying on Clinician to list all possible equine-related risks for me in this document or at any time in the future.**

I understand these risks and dangers that are inherent in equine activities, regardless of where the equines may be ridden, worked with, or handled, and I agree to assume them. I also understand that these are just *some* of the risks, and I agree to assume others that are not mentioned here. I am not relying on anyone affiliated with Stephanie Hancock, Andrew Foss, Hancock Equestrian LLC, or Totman Farm LLC, to list all possible equine-related risks for me in this document or at any time in the future.

I also understand that anyone riding, handling, working with, or near an equine can suffer injuries. The owners of the equines, the owners of the land, the stable, and any riding instructor or professional cannot guarantee my safety.
